

Setting up amazon smile

Did you know that for every purchase you make on Amazon, they will donate a small percentage to a charity of your choice?

Admittedly it is only a very small percentage (0.05%), but if we make a small amount from each and every Amazon purchase made by anyone in the whole School, it can quickly add up - and it doesn't cost you any extra & is really easy to set up!

- Search for 'Amazon Smile' & follow the instructions
- When it asks you which charity, select 'St Mary's R.C. Primary (Marple Bridge)'
- Update your bookmark & **make any future purchases through** <https://smile.amazon.co.uk> - we only get a donation if you buy through this URL
